

## B-Cubed Bike Week 2006

Super turnout and a lot of fun for old friends that had not seen each other over the past year. The B-Cubed volunteers were everywhere helping or getting in the way, all under the direction of the B-Cubed Treasurer, Jann Paxton. She successfully kept Gator Ballough out of the way so most people could enjoy themselves. Group campfires at night replaced the normal living room TV and ideas, thoughts and comments replaced the stale living room dullness of winter.
