

RIDING INTO HISTORY CAMPOUT 2009

After discussing the advantages at several events, the Flairheads finally decided to attempt a campout in conjunction with the Riding Into History event cosponsored by the BMW owners of Northeast Florida. The RIH event is held at the World Golf Village in St Augustine and once it was decided, a suitable campground was quickly located. Give an Airhead directions and get out of the way! Pacetti's Marina and Campground, about 8 miles away, was very agreeable to having a few campers spend a couple of nights so we set up the Friday before the big event at the Golf Village. Due to poor communications and lousy advertising, we only had eight Airheads spend the two nights but two were from out of state.
